

## **QUALIFYING CRITERIA AND CUT-OFF PERCENTAGES FOR JUNIOR RESEARCH FELLOWSHIP AND ELIGIBILITY FOR LECTURESHIP IN JUNE 2013 UGC-NET**

UGC had earlier notified the following procedure and criteria for declaration of result of June 2013 UGC-NET conducted on 30<sup>th</sup> June 2013 and re-conducted on 8<sup>th</sup> September 2013 at Delhi and Ranchi:-

This comprises of the following steps:

### **Step I :**

**Minimum marks to be obtained in NET for considering a candidate for the award of JRF and eligibility for lectureship:**

The candidates are required to obtain the following minimum marks separately in Paper-I, Paper-II and Paper-III as given below:

<b>CATEGORY</b>	<b>Minimum Marks (%) to be obtained</b>		
	<b>PAPER – I</b>	<b>PAPER – II</b>	<b>PAPER– III</b>
GENERAL	40 (40%)	40 (40%)	75 (50 %)
OBC (Non-creamy layer)	35 (35%)	35 (35%)	67.5 (45 %) rounded off to 68
PWD/SC/ST	35 (35%)	35 (35%)	60 (40 %)

### **Step II:**

Amongst those candidates who have cleared step-I, a merit list was prepared subject-wise and category-wise using the aggregate marks of all the three papers secured by such candidates.

### **Step III:**

Top 15% candidates (for each subject and category), from the merit list mentioned under step-II, was declared qualified for eligibility for lectureship only. By this method, if the number obtained is less than one, it is taken as at least one, i.e., a minimum of one candidate is qualified wherever a fraction less than one is obtained as per this methodology. However, for fractions greater than one, the figure is rounded off to the nearest whole number.

## Criteria for Awarding Junior Research Fellowships

Out of the candidates qualified for Lectureship eligibility, those candidates who had applied for JRF, were in the consideration zone for the award of slots available for JRF. A methodology has been evolved for allocation of JRF slots among different subjects category-wise. This is in addition to the category-wise minimum criterion for lectureship eligibility.

- i) The Commission provides a minimum of 3200 fellowships in each UGC-NET.
- ii) A minimum of 27%, 15%, 7.5% and 3% of Fellowships are reserved for the OBC, SC, ST and Persons with disabilities (PWD) respectively. Accordingly, the category-wise slots available are as follows:

No. of Slots Available for JRF		
GEN (Unreserved)	1520	47.50%
OBC (Non-creamy layer))	864	27.00%
SC	480	15.00%
ST	240	7.5%
PWD	96	3.00%
<b>TOTAL</b>	<b>3200</b>	

- iii) The calculation is based on the ratio of number of candidates who had opted for JRF and were qualified for lectureship eligibility in each subject category-wise to the total number of candidates qualified for lectureship who had opted for JRF in that category over all subjects multiplied by the total number of fellowships to be awarded to that category. The nearest whole number obtained as per this formula provides the number of slots available in any particular subject category-wise.
- iv) By this method, if the number of JRF slots obtained for any subject in a particular category is less than one, it is taken as one, i.e., a minimum of one JRF is awarded wherever a fraction less than one is obtained as per this methodology. However, for fractions greater than one, the figure is rounded off to the nearest whole number.
- v) The aggregate percentage of all the three papers corresponding to the number of JRF slots derived as described above is taken as the cut-off percentage for awarding JRF for any particular subject category-wise.

The subject cum category-wise aggregate (of Paper I, II & III) qualifying percentages for Junior Research Fellowship (JRF) and eligibility for Lectureship as per the methodology described in the foregoing is presented in tabular form below:

Sub. Code	Subject	Category	Qualifying Cut-off Percentage	
			JRF	Lect. only
